

THE TANK CAR PEOPLE

UNION TANK CAR COMPANY'S COMMITMENT TO RESPONSIBLE CARE®

Union Tank Car Company (UTLX) strives to be the preferred supplier of high-value rail transportation solutions by providing a best-in-class range of leasing, design, manufacturing, and maintenance services that enable our customers to operate in a safe and efficient manner.

UTLX's WE CARE Policy

At UTLX we:

Work everyday to prioritize health and safety.

Engage our enterprise with environmental protection as a core value.

Comply with legal and Responsible Care related requirements and commit to stewardship of our products for safe use and sustainability for the lifetime of the railcar.

Actively engage with communities to foster partnerships that promote Responsible Care®.

Realize ongoing improvement to drive performance.

Embody transparency and accountability in all we do.
